**What we completed in July**

JULY RECAP

- Completed the full July Meta summary for the Fagan Painting LLC account.
- Summarized all four campaigns with July spend: \$1,320.11, 40,028 impressions, and 16 Meta form leads.
- Recorded 16 form leads on \$726.98 from the lead-driving campaign at a reported \$45.44 CPL.
- Closed the Meta advertising lane; all campaigns are now off.
- Prepared the AEO and SEO feedback around service pages, homeowner FAQs, local painting topics, and internal links.
- Completed the July 31 organic-search offer package for the August growth phase.

**Primary goal**

AUGUST PLAN

Apply the AEO and SEO feedback to priority service pages, homeowner FAQs, local painting topics, and internal links, then establish the first organic and AI-search visibility baseline.

Next planning period

**August 2026****EXECUTIVE ANALYSIS**

The corrected full-month Meta readback materially changes the July baseline: the named Fagan Painting LLC account recorded \$1,320.11 in spend, 40,028 impressions, and 16 lead-form conversions. The portfolio's second ad account has no campaigns, so the account-level total is complete rather than a partial snapshot.

Meta advertising is no longer running. The active growth strategy is now the AEO and SEO feedback implementation, supported by the completed research brief, one-page offer, landing page, and email package.

## AEO and SEO

Active

The active growth lane applies the AEO and SEO feedback to service-page answers, homeowner FAQs, local painting topics, and structured internal links.

| Program status             | Primary focus           | First lane    | Baseline |              |
|----------------------------|-------------------------|---------------|----------|--------------|
| Active                     | AEO + SEO               | Service + FAQ | August   |              |
| Workstream / campaign      | State                   | Spend / scope | Delivery | Signal       |
| Answer-ready service pages | Feedback implementation | —             | —        | August work  |
| Homeowner FAQ system       | Question inventory      | —             | —        | First sprint |

**July summary:** Meta advertising is no longer running; AEO and SEO work is active.

# July results and work completed

Meta lead-form conversion events count as platform leads; qualified business outcomes remain separate.

**Lead accounting:** Meta-reported lead-form conversion events count as platform leads and are shown as whole integers. Platform leads remain separate from qualified estimates, booked work, and revenue outcomes.

## Media results

July Meta activity generated 16 form leads and 40,028 impressions on \$1,320.11 in spend. All Meta campaigns are now off.

## Business results

August shifts the growth program to AEO and SEO improvements across priority services, FAQs, local topics, and internal links.

## August reporting focus

August reporting will track organic visibility, AI-search citations, service-page engagement, and new inquiries as the improvements are published.

# August plan

Owned next steps, written for action.

## July highlights

- July Meta activity generated 16 form leads before the campaigns were turned off.
- The AEO and SEO feedback package is ready to guide the next growth phase.

## August focus

- Apply the AEO and SEO feedback to the highest-priority service pages.
- Build the first homeowner FAQ and local painting topic sprint, then measure visibility and inquiries.

## Planned next steps
