

Onsite Concrete and Landscape

Google Ads, Fairfield expansion, and measurement readiness

REPORT STATUS

Google Ads restored and running; Fairfield local-content work advanced

WEEKLY SIGNAL

The Google Ads campaign temporarily went offline during the Aug 3 to Aug 9 reporting window. The issue was corrected, the ads were relaunched over the weekend, and delivery is now back to normal and running again.

What we completed this week

WEEKLY
READ

- Corrected the temporary Google Ads interruption and relaunched the campaign over the weekend.
- Created the Fairfield concrete walkway extension and concrete driveway extension pages.
- Preserved the approved service-content batch and schema requirements for the next publishing step.
- Kept the qualified-estimate measurement correction plan separate from raw platform activity.

Primary goal

NEXT ACTION WINDOW

Monitor the restored campaign, finish the page review and publishing path, and match future forms and calls to qualified estimates.

Next planning period

August 2026

EXECUTIVE ANALYSIS

The campaign temporarily went offline during the reporting window. It was corrected and relaunched over the weekend, and the ads are now back to normal and running again.

The interruption is resolved. The next paid-media priority is to monitor delivery stability while measurement and qualified-estimate matching are completed.

Channel performance

Aug 3 to Aug 9 activity and results by channel.

Google Ads

Running · restored after weekly window

The campaign temporarily went offline during Aug 3 to Aug 9. The issue was corrected, ads were relaunched over the weekend, and delivery is now back to normal.

Current status	Interruption	Relaunch	Delivery
Running	Resolved	Weekend	Normal

Workstream / campaign	State	Spend / scope	Delivery	Signal
Current campaign overview	Running	Existing settings	Restored	Back to normal
Conversion setup	Pending	—	—	Monitor and validate

SEO and local search

In progress

Two Fairfield location pages were created and the approved service-content foundation remains ready for review and publishing.

Fairfield pages	Schema work	Service content	Outcome
2	Ready	Approved	Pending

Workstream / campaign	State	Spend / scope	Delivery	Signal
Walkway extension · Fairfield	Created	—	Page ready	Review
Driveway extension · Fairfield	Created	—	Page ready	Review

Weekly summary: Google Ads restored and running; Fairfield local-content work advanced.

Weekly results and work completed

Weekly evidence is separated from downstream business outcomes.

Lead accounting: Platform-reported lead events are shown as whole integers where a current platform read was authorized. Platform activity remains separate from qualified inquiries, booked work, revenue, and other downstream outcomes. Unavailable fields remain pending validation.

Media results

Google Ads temporarily went offline during the Aug 3 to Aug 9 window. The issue was corrected, the ads were relaunched over the weekend, and the campaign is now running normally again.

Business results

Qualified estimates, booked work, and revenue were not available in the current window.

Next reporting focus

Monitor the restored campaign and match future forms and calls to named estimates before using paid-media activity to guide budget.

Work completed Aug 3 to Aug 9

WORK COMPLETED · WHY IT MATTERS · STATE

Report	Delivered the weekly report and separated current paid state from prior work.	Keeps an empty delivery window from being overinterpreted.	Delivered
Fairfield	Created concrete walkway and driveway extension pages for Fairfield.	Expands service-area coverage beyond the current core market.	Created
Content	Preserved the approved service batch and schema requirements.	Creates a controlled publishing path for local-search growth.	Ready
Measurement	Held conversion tracking and qualified-estimate matching as the next gate.	Prevents raw platform events from standing in for business outcomes.	Pending

August plan

Owned next steps, written for action.

Weekly highlights

- Google Ads were corrected, relaunched, and returned to normal delivery.
- Two Fairfield service destinations were created.

August focus

- Monitor the restored campaign through the next reporting window.
- Review and publish the Fairfield pages and approved service batch.
