

PERFORMANCE AND DELIVERY READBACK

Weekly marketing report

Replenish / 7-Eleven

Store campaign program

Replenish remained a separate client lane from Fresh Blends. This week centered on access for nine active store campaigns and preparation for a Sunday CPC audit. The Ads account was intentionally not opened in this workflow.

Next read

Confirm access and complete the planned campaign level CPC audit from an authorized route before presenting performance conclusions.

Reporting guardrail

Unavailable fields remain pending. No spend, campaign, account, tracking, or publishing changes were made during this reporting workflow.

What moved this week

Client specific
Read only review

01 · Delivery

Recorded the request for access to the nine active store campaigns.

02 · Optimization

Prepared the next CPC audit as a store specific review rather than blending another brand's data.

03 · Boundary

Kept Replenish and 7 Eleven labeling explicit in the shared Slack channel.

04 · Next step

Did not inspect the Replenish Google Ads account because it is outside this automation's authorized account scope.
