

# FRESH BLENDS

Weekly progress report

Sep 1 to Sep 8, 2026

A closer look at the work completed, the evidence available, and the priorities ahead.

## A CLEAR PAUSE. A CONSIDERED NEXT STEP.

Fresh Blends remained paused following the client's request to revisit paid activity in October. The team confirmed the pause again on September 8, and the September 1 to 8 platform view shows the four selected Fresh Blends campaigns paused with no delivery recorded. Organic visibility work was discussed as a possible alternative, but no new scope or restart agreement is established.

The actions below separate verified changes, reported progress and work awaiting review.

### Pause request recorded

Verified work /  
decision

The account team recorded the client's request to pause until October. That is the requested review point, not an approved restart date.

Makes the operating status and the next timing decision clear.

## Organic visibility option proposed

Planned /  
proposed

The team discussed search and answer-engine optimization as an option during the paid pause. It remains a proposal; no client acceptance or completed organic production is established.

Provides an option to review if the client wants a different scope.

## Paused status reconfirmed

Verified work /  
decision

The account lead confirmed ads had been paused for roughly five or six days. The platform read also shows the selected Fresh Blends campaigns paused. The precise switch-off timestamp was not independently reconstructed.

Supports a current status report without estimating a launch or restart.

# DECISIONS & DEPENDENCIES

---

Sep 2

Paid campaigns paused at client request, with October named as the review point.

## EVIDENCE, CLEARLY DATED.

Prepared from a September 8 review of dated account communications, available project artifacts and relevant working-session records. Platform figures below are independently dated.

Work discussed during the period can relate to an earlier deliverable. Those cases are labelled. Channel results retain their own reporting window and collection date; visits, platform events and business outcomes are separate measures.

Source links and personal contact details remain in the private evidence file. This report contains only this client's work and results.
