

CASE STUDY

Clear Strategy. **Confident Selection.** Built to Scale.

How Align HCM helped one of Canada's fastest-growing restaurant groups evaluate its workforce management landscape and chart a transformation plan built for aggressive growth.

INDUSTRY

Quick-Service Restaurants

FOOTPRINT

Multi-location, Canada

ENGAGEMENT

WFM strategy & selection

// THE CHALLENGE

Growth Outpacing Workforce Processes

↑ RISING COMPLEXITY

- Rapid multi-location expansion
- Operational complexity increasing
- Processes strained by growth

↑ UNCLEAR CURRENT STATE

- System gaps not yet identified
- No defined future-state vision
- Technology options unevaluated

↑ HIGH-STAKES DECISION

- Solution had to fit aggressive growth
- Frontline adoption critical
- Needed actionable, not abstract, advice

// HOW ALIGN HCM HELPED

A Grounded Evaluation, Led From the Frontline

1

Listen

Surveyed store managers across the business and ran workshops on 14 critical operating topics.

2

Assess

Evaluated the workforce management landscape with Align's adoption framework.

3

Recommend

Delivered a clear transformation plan and best-fit solution selection.

Stakeholder engagement . Process evaluation . Strategic planning

// THE RESULTS

A Plan the Business Believes In

Actionable Roadmap

A clear, sequenced workforce management transformation plan.

Best-Fit Solution

Confident selection grounded in real store-level feedback.

Ready to Scale

Streamlined operations positioned for aggressive growth.
